

Outstanding Service

Maybe it's the fact that you're greeted by name. Perhaps it's because you merely mentioned a favourite dessert and it appears after dinner without asking. As you cool off with chilled towels upon return from a shore excursion, you just know something is different aboard Celebrity.

With nearly one staff member for every two guests, Celebrity's personal service anticipates your every need. In your stateroom, outside by the pool, in the AquaSpa®, anywhere at all, at anytime, our onboard family goes the extra mile to ensure every aspect of your cruise is just the way you want it.

Combining traditional European hospitality and warm engaging service, Celebrity's service is consistently top-rated by experts such as Condé Nast Traveler.

Here are a few special people who will help create a cruise designed just for you.
