 Uniquely Different, Easy to Organize
 & Immensely Entertaining!

If your company strives to offer its employees a truly memorable evening out, and you're looking for something different this Christmas, **The Giggle Dam Dinner Theatre** is just what the company doctor ordered. We take great pride in providing an evening complete with hilarious, interactive entertainment and delicious food, while keeping our rate significantly lower than other venues in the Lower Mainland. Bottom line... we offer your company the best bang for your buck! Whether you have a small staff or are a large, multi-location company, The Giggle Dam can accommodate groups of up to 210 guests, seven nights a week during the holiday season.

**The Lower Mainland's Only High Energy,
 Musical Comedy, Insanely Interactive,
 Slightly Cheeky and Truly Hilarious Theatre Adventure**

A Giggle Dam show is hilarity like you've never experienced before. In addition to our side-splitting, politically incorrect comedy and the incredible vocal & musical talents of our rockin' Giggle Dam Band, we are most well known for the interactive nature of our show. Each night we find audience members who are willing to participate and then make them a part of the entertainment! Don't worry, we don't drag anyone kicking and screaming - we meet every audience member personally to find participants who are willing to be an up-close part of the action!

Even More Reasons To Have Your Christmas Staff Party at The Giggle Dam Dinner Theatre

The "Dam" Financials

A regular, boring staff christmas party usually involves calling around to rent banquet or convention space and having a catered dinner that can run your company between \$40 - \$60 per head, *and that's without hiring entertainment!* (The demand for Private Corporate Entertainment, particularly at Christmas time, is high and can run your company thousands of dollars extra). Or maybe you don't have enough employees to warrant a private room, so you just go to a restaurant, pay for a nice dinner, which can also be costly, and then go home. At The Giggle Dam you don't have to organize any of the particulars, just pay one low price and show up! Everything is taken care of, from your outstanding dinner and full bar service to entertainment that is second to none. When you do the math, the answer is obvious!

For **FOUR HOURS** of Food and Entertainment, you won't find **VALUE** like this anywhere else!

Dinner & Show **\$55** (+HST) per person
